

Green Contract Services Limited • Registered in England No. 06034340 • Registered Office:

Old Hall Brickhouse 2 • Congleton Road • Sandbach • Cheshire • CW11 4SR • Tel: 01270 760379 • Fax: 01270 768902 • e-mail: admin@greencs.co.uk • website: www.greencs.co.uk

For the attention of the Registered Manager,

As you are aware, Health Technical Memorandum 01-05 (section 19) requires all Dental Practices to have:

- a **Written Scheme** – carried out by a competent person from the Legionella Control Association, and
- a **Legionella Risk Assessment** – also carried out by a competent person.

Green Contract Services are a local Sandbach based specialist providing an independent legionella control service, and as members of the Legionella Control Association, are able to offer complete Legionella Risk Assessments and Written Schemes from:

£275 + vat

this includes:

- Written Scheme
- Legionella Risk Assessment
- Legionella Log Book (covering 2 years of logging)
- schematic drawing of domestic water system
- photographic evidence of system failures, or other problems
- electronic back-up of all documentation
- free advice and support for two years
- free training on how to carry out most scheduled testing & monitoring with in-house staff
- free advice on how to repair any 'non-compliances' that may arise during testing
- free advice on repairs to the water system to comply with the Water Regulations & legionella legislation

Green Contract Services also offer a number of other legionella services:

- testing & monitoring carried out by our trained engineers at your premises
- secure web based log books to record all testing & monitoring results
- go to www.greencs.co.uk/legionella and follow the 'demo' instructions
- Cleaning & disinfection of showerheads, hoses, etc
- Microbiological monitoring at a UKAS laboratory for Legionella Pneumophila, Lead, Escherichia Coli (e.coli), Total Coliforms, Colonies (2 & 3 days), TVS, etc.

For further advice on this, plus any other water quality issue please phone me direct on either:
01270 760379 or 07917 230 102.
